

# Feelings & FACTS

*How do we REALLY receive what we see and hear?*

Participate in a Science/Arts Experiment to find new ways  
to communicate environmental concerns.

**THURSDAY, APRIL 24, 2014 • 5:00–7:00 PM**

Fiske Planetarium • 2414 Regent Drive, Boulder, CO 80309

**5:00 PM** Reception

**5:25 PM** Experiment begins promptly

**7:00–8:00 PM** Colorado Skies Program  
(optional)

The reception and experiment are  
**FREE** and open to the first 100 people.  
Colorado Skies is a Fiske Program  
open to all (\$7-10).
